

Sunny-Action Program

# DO YOU HAVE A GROUP OF TEENAGERS AGED BETWEEN **12 AND 17 YEARS OLD?**

Turnkey group volunteering program

**DETAILS &  
REGISTRATION**

# Benefits of volunteering with the Sunny Foundation.

- Give back to your community.
- Experience a rewarding time for both you and the elderly.
- Raise awareness among young people about the realities faced by the elderly.
- We are already established in the communities.

## What we do for you

- Provide Sunny training (mandatory training to facilitate the integration of young people).
- Supply a yellow shirt featuring the Foundation's logo.
- Issue a certificate to the establishment for the volunteer hours completed.
- Match the Sunny with a living environment to carry out intergenerational volunteering in a long-term care facility (CHSLD).

## What we expect in return

- Track the volunteer hours completed by your youth.
- Ensure discipline among volunteers on-site.
- A few photos, videos, and/or testimonials. (Which we can share.)
